mäppner

THE BATH ICON

We are one of pioneer in bath fittings manufacturing, and winning millions of smiles since more than 15 years. For long time, our production house has been supporting many of India's well-known brands and established a name synonym to customer trust and quality.

Mäppner is a package of idealist in reliability and values, and as leading manufacturer in this segment we are known for innovation, usability, and durability. Now, this new establishment is here to add more flavours to our customer's trust and with past, which is always present, mäppner is a roadmap to future with keeping its tradition and artisanship at core along with passion which is imbibed as DNA of everyday life.

Mäppner puts the need of each segment in mind and creates products that are ideal for vast spectrum of customers – offering premium, stylish, and value-driven products. It works on core principles of contemporary design, coupled with latest manufacturing technology. Today, with a noteworthy presence within India, mäppner also exports its products to various countries, meeting the demanding needs of its clients worldwide.

We take utmost care while producing to meet our customer expectations. With inhouse R&D function along with precise quality check processes we strive to deliver best in the market. We also have technical partnerships with well-known suppliers to bring best of components along with state of art inhouse manufacturing facility. We keep pride of "MAKE IN INDIA" campaign and aspire to establish our products as best in class. We produce experience that lasts to endless life, and this is never ending mission to deliver best value to consumers.

Appreciate, choosing us to be partner in your dream and We assure to be your lucky partner.
